2012

Student Tour June 12th - June 27th

Rome, Florence, Venice, Innsbruck, Paris and London

The *June Arts Program* is our **Grand Tour!** For the past 33 years, we have been introducing Florida high school students to the culture, history and art of Western Europe. We continue this year with travels through Italy, Austria, France and England.

We are a very unique travel program-- blending the independent style of the back packer with advantages of a well planned tour that includes a guide and supporting staff. This tour is a locally created and controlled opportunity for sophomores, juniors and seniors in high school to experience Europe before the college years.

WHEN YOU JOIN US, YOU WILL FIND . . .

- All hotels are located in historical city centers
- We have been guiding students through Europe for 33 years
- Our group retains a personal guide for the entire tour
- Students are immersed in the culture of each city with daily walking tours
- Students are trained and encouraged to explore each city, each day, on their own
- Learning is woven into each morning's itinerary
- Our program is locally controlled and arranged
